

JUNE 19th

Saturday

1:00-5:00 pm

CELEBRATING SOLSTICE WITH A PLANT WALK

Join Marguerite at the SEVA School of Environmental Arts for a summer solstice traditional plant walk. As a group we will be taking the co-creative road, discovering plants and trees in new ways. We will explore plant identification. We will walk on nature's original path in peaceful equanimity. Our day will end by honoring the Solstice with a circle by a fire.

Fee
\$20
Bring a friend
\$16
